GOVERNMENT OF JAMMU AND KASHMIR
OFFICE OF THE PR. CHIEF CONSERVATOR OF FORESTS (HoFF), J&K

CIRCULAR

Sub: Composite tender for developmental works of the Forest Department

All the developmental works executed under different Schemes of the Government including CAMPA, for any amount above Rs one lakh shall be executed through an e-tendering process, as per the extant government instructions. For tendering fencing related work in a plantation closure, it is enjoined upon all the DDOs to go for a composite tender for fencing which includes providing of the fencing material and fixing/erection of the same. Hence, procurement of fencing material shall not be done by the DDOs separately from SICOP. The DDOs shall ensure quality of fencing material as per the specification of the Scheduled rates of the Forest Department by seeking from the successful bidder a quality certificate issued by a competent authority.

Further, the tender shall also include Soil and Moisture Conservation works and other minor engineering works, if any, proposed in the given plantation closure.
