No: PCCF/CAMPA/722/2009-90

Dated: 17 / 11 / 2018

Sub: Execution of works as per the approved plan under CAMPA for the year 2018-19

Sir,

Please refer to the minutes of the meeting held on 24th October, 2018 under chairmanship of Commissioner Secretary to Government, Forest Department regarding tendering of plantation and allied works in the Department.

Now it is expected that all plantation and allied works will be carried out smoothly in accordance with the decisions taken in the said meeting, as per the approved plans including those under CAMPA for the year 2018-19 and targets will be fully met.

For those areas in Jammu Region where plantation works could not be carried out in monsoon season due to lack of clarity on tendering process, such areas will also be covered, as far as possible, if soil moisture conditions are favorable; if not, at least, fencing and pitting works should be completed without fail.

Yours faithfully,

(Sarvesh Rai) IFS
