Dated: 17/11/2021

**Subject: Directions issued by Chief Secretary, J&K during the 20<sup>th</sup>  
 Steering Committee Meeting of J&K CAMPA held on 16<sup>th</sup>  
 November, 2021.**

Sir,

Worthy Chief Secretary, in the Steering Committee Meeting of J&K CAMPA held on 16<sup>th</sup> November, 2021 issued following directions for J&K Forest Department and other allied departments:

- 1) The Forest Department shall finalize different afforestation models with utilization of native species. No exotics be utilized in planting unless their efficacy is scientifically proven.
- 2) The Forest Department should ascertain the resources of Jal Shakti Department and provide catchment area treatment to such resources.
- 3) The department shall identify the degraded forests within the UT of J&K and submit the plan for their treatment in next three years. The plan should be submitted within a month.
- 4) The Forest Department should follow community driven approach and involve Village Panchayats in all their planting activities.
- 5) The department should project the different activities and enhance the **visibility** for the general masses so that creative interest is generated among the public for conservation including Wildlife Protection and Management. The signages and display boards be placed on all important locations in cities, highways and other such places guiding the people to unique forests and wildlife areas.
- 6) The department should operationalize all the trek routes at the earliest.

**Government of Jammu & Kashmir**  
**Office of the Pr. Chief Conservator of Forests**  
**Jammu & Kashmir Forest Department**

- 7) The forests be made clear of polythene and 'one time use plastic' and such forests be declared 'polythene free'.
- 8) The Wildlife Department shall sternly deal with feeding of monkeys especially on roads and control this menace by using an injunction order under law. Forest Department shall also sternly deal with monkey menace in their jurisdiction.
- 9) The Forest Department should prepare a plan on creation of livelihoods.
- 10) The department should provide alternatives for grazing and enhance the production of grass and fodder.
- 11) The department should collaborate with Science & Technology Department for utilization of weeds like Lantana for generation of energy and fuel briquettes.

Yours faithfully,

*Sanjay Kumar Sinha*
