- b. The extraction of the trees/ poles shall be done by the State Forest Corporation/ Divisional Forest Officer concerned on the basis of markings administratively approved by the Chief Conservator of Forests, Jammu. *The cost of extraction and transportation shall be paid by the User Agency directly to the agency executing the extraction.*
- (vi) The User Agency shall construct retaining walls/breast walls as per approved plan and design of the project and take all necessary steps to check soil erosion which may result due to proposed construction of the track. The Forest Department shall take due cognizance under law for any laxity on this account on the part of the User Agency which might trigger soil erosion in the area.
- (vii) *The User Agency shall be responsible for the eco-restoration of the muck dumping sites identified on forest land through engineering and biological means and by keeping due provision in the revised DPR for the same.*
- (viii) *The User Agency, in view of the reduced Road Land Width and for the eco-restoration of the muck dumping sites, shall get the DPR revised and approved by the competent authority prior to the execution of the project.*
- (ix) Any damage done to the forest by the User Agency or its employees and contractors or people employed by them shall be charged from the User Agency @ 10 times the standard rate of 1992.
- (x) The forest land so allowed for use shall return to the Forest Department free of any encumbrances when it is no longer required by the User Agency and after rehabilitated properly by the User Agency.
- (xi) The User Agency shall be responsible for obtaining requisite clearances under any other law in vogue before commissioning of the project.
- (xii) As endorsed by the Deputy Commissioner Reasi, Compensatory Afforestation shall be done over the State land identified under Khasra No..571/13 situated at village Channa, Tehsil Mahore, District Reasi.
